TERMS AND CONDITIONS OF SALE

1. SCOPE AND ACCEPTANCE

These terms govern the sale of the goods identified on the face of this invoice. Acceptance of the goods or of payment terms constitutes acceptance of these conditions. No variation binds the seller unless agreed in a writing signed by an authorized officer of the seller.

2. PRICE AND TAXES

Prices are stated in the currency shown and, unless otherwise agreed, exclude all duties, levies and value added or similar taxes, which are for the account of the buyer. The seller may adjust prices to reflect increases in raw material or freight indices notified before shipment.

3. PAYMENT AND LETTER OF CREDIT

Payment shall be made in the manner stated on the face hereof. Where payment is by documentary credit, the buyer shall cause an irrevocable credit to be opened in favor of the seller with a first-class bank, in time to permit timely presentation of conforming documents.

4. DELIVERY AND INCOTERMS

Delivery terms are interpreted under Incoterms 2020 or successor rules in force on the contract date. The named place fixes the point at which risk and custody transfer; nothing herein transfers title before the applicable retention-of-title moment described below.

5. TITLE RESERVATION

Title to the goods remains vested in the seller until receipt of the full price and all charges due. Until then the buyer shall store the goods identifiably, insure them at its cost, and refrain from any charge or disposition adverse to the seller's interest.

6. PACKING AND MARKS

Goods are packed to survive ordinary ocean carriage. Export marking follows the shipping marks stated in the order acknowledgment; the buyer is responsible for ensuring marks satisfy destination import requirements not expressly assumed by the seller.

7. INSPECTION AND CLAIMS

The buyer shall inspect the goods promptly after arrival and give written notice of any non-conformity within fourteen days, failing which the goods are deemed accepted. Latent defects must be reported within the warranty period stated in the order confirmation.

8. LIMITED WARRANTY

The seller warrants the goods against defects in material and workmanship under normal use for twelve months from delivery. Remedy is limited to repair, replacement or refund of the invoice value of the defective units at the seller's election.

9. FORCE MAJEURE

Neither party is liable for failure or delay caused by events beyond reasonable control, including acts of government, port congestion, labor disputes, epidemics, or failure of utilities, provided the affected party notifies the other and mitigates the delay.

10. GOVERNING LAW AND DISPUTES

This invoice and the underlying sale are governed by the law of the seller's principal place of business, excluding conflict rules. Any dispute shall be finally settled by arbitration under the rules of the arbitral institution at that place.
