RECEIVED subject to the terms and conditions printed herein in apparent good order and condition, unless otherwise indicated herein, the Goods or packages said to constitute the Goods described above, in apparent good order and condition, for carriage from the Place of Receipt to the Port of Discharge named above, subject to all of the terms and conditions hereof. In accepting this document the Merchant expressly accepts and agrees to all of its terms and conditions, whether printed, stamped or written hereon.

STANDARD TERMS AND CONDITIONS

1. DEFINITIONS AND APPLICATION

'Carrier' means the party on whose behalf this document has been signed, and 'Merchant' means the Shipper, Consignee, Receiver, Holder of this document and any person owning or entitled to possession of the Goods. This document is evidence of the contract of carriage and acceptance of it binds the Merchant to all terms herein, whether printed, stamped or written hereon.

2. CARRIER'S RESPONSIBILITY

The Carrier shall be responsible for the Goods from the time they are received into his custody until they are delivered ashore to the Merchant or to the authority entitled to receive them. Liability shall be determined under the applicable water carriage statute and the Hague Rules as incorporated therein.

3. GENERAL AVERAGE AND SALVAGE

General average shall be adjusted, stated and settled according to the York-Antwerp Rules 1994 or any subsequent modification thereof. The Merchant shall provide cash bond or other security sufficient to cover the estimated contribution, and salvage shall be paid as fully as general average under such Rules.

4. LIEN

The Carrier shall have a general lien upon the Goods and upon any documents relating thereto for freight, dead freight, demurrage, detention, costs of recovery, and all other charges due under this document, and may sell the Goods by public auction or private treaty without notice to satisfy the lien.

5. DECK CARGO AND DANGEROUS GOODS

Goods of an inflammable, explosive or dangerous nature which may become dangerous may be landed, destroyed or rendered innocuous without compensation. Goods carried on deck are at the risk of the Merchant and are not contributory to general average loss or damage.

6. LIMITATION OF LIABILITY

Neither the Carrier nor any other person shall be liable for any loss of or damage to the Goods in an amount exceeding USD 500 per package or per customary freight unit, unless the nature and value of the Goods have been declared in writing before receipt and inserted herein.

7. NOTICE OF LOSS AND TIME BAR

Unless notice of loss or damage in writing is given to the Carrier at the place of delivery before or on the day the Goods are removed from the place of delivery, such removal shall be prima facie evidence of delivery in good condition. Any suit shall be brought within one year after delivery or the date when the Goods should have been delivered.

8. FREIGHT AND CHARGES

Freight and all other charges are deemed earned upon receipt of the Goods and are payable without deduction, rebate or set-off, whether the Goods are lost or not lost, and shall be considered earned on actual receipt regardless of subsequent events during carriage.

9. BOTH-TO-BLAME COLLISION AND NEW JASON

If the carrying vessel comes into collision with another vessel through the fault of the other vessel, the Merchant indemnifies the Carrier against all loss arising to the Carrier under the so-called both-to-blame clause. A general average act shall not be denied because of negligence of the Carrier.

10. PARAMOUNT CLAUSE AND JURISDICTION

This document shall be construed under the law of the Carrier's principal place of business, and any dispute shall be determined exclusively by the competent courts there. If any provision hereof is held invalid, the remainder continues in full force, and the invalid provision is replaced by the nearest valid equivalent.
